Bandana Buddies
2005

WE CHALLENGE YOU TO MEET NEW PEOPLE!!!

At the 2005 State FCCLA Convention, the State Officers encourage each member to be active and meet new people. Bandana Buddies is an activity designed to encourage interaction amongst all Montana FCCLA members.

Each member needs one 45-inch length of rope (or fabric) tied in a circle to be worn around their neck.

Each district is assigned a color family; each chapter within that district chooses a fabric print within that color family. Cut or tear $\frac{1}{2}$ by 6 inch strips of their chapter print to trade with others attending the state conference.

Be sure to bring your strips to the first general session!
